

FOREIGN TRADE ZONES

Indiana is recognized as the crossroads of America based on its central location. Indiana is ranked **#7** in the nation in *Merchandise Received and Exports for Foreign Trade Zone (FTZ) activity* – *Annual Report of the Foreign-Trade Zones Board 2020*.

Does your company qualify to use a Foreign Trade Zone (FTZ)?

- Does your company import items that require duty?
- Does your company export a percentage of those items that were imported?
- What is your estimated annual merchandising processing fee?
- Does your company import goods that are subject to quantity restrictions?
- Does your company manufacture goods on site from imported products?
- Does your company want to eliminate duty and save money?

Our Foreign Trade Zones are ideal for breakbulk operations

- Duty elimination
- Duty reduction (Inverted tariff)
- Duty deferral
- Consolidation of Merchandise
- Direct delivery
- Quality control
- and other cost-saving benefits

Ports of Indiana offers FTZ tenants excellent locations, infrastructure, rail, barge, river systems and the St. Lawrence Seaway.

Burns Harbor – FTZ Zone #152:
